This memorandum of understanding (hereinafter MOU) to address child abuse and neglect is required by sections 2151.4220, 2151.4221, 2151.4222, 2151.4223, 2151.4225, 2151.4226, 2151.4228, 2151.4229, 2151.4230, 2151.4231, 2151.4232, 2151.4233, and 2151.4234 of the Ohio Revised Code and rule 5180:2-33-26 of the Ohio Administrative Code. It is an agreement among **Morgan County Job and Family Service/Children Services** (hereinafter PCSA) and community partners that delineates roles and responsibilities for referring, reporting, investigating, and prosecuting child abuse and neglect cases within **Morgan County** (hereinafter county). The MOU also identifies procedures for collaborative service provisions needed to ensure child safety, permanence, and well-being, and the minimum requirements of screening, assessment/investigation, and service planning, to meet mandates included in children services legislation passed by the 134th Ohio General Assembly. Two primary goals of this MOU are:

- The elimination of all unnecessary interviews of children who are the subject of reports of child abuse or neglect.
- When feasible, conducting only one interview of a child who is the subject of a report of child abuse or neglect.

Throughout the state each PCSA provides the following services to their communities:

Screening: The capacity to accept and screen referrals of suspected child abuse, neglect, and/or dependency includes but is not limited to the following: Receiving referrals 24 hours/day, 7 days/week; Recording and retaining referral information; Following Ohio's screening guidelines based on Ohio Administrative and Revised Code and categorizing the child maltreatment type; Adherence to a protocol for making screening and differential response pathway decisions regarding referrals of suspected child abuse, neglect, and/or dependency within 24 hours from the time of the referral; Documenting case decisions; And assigning a response priority of emergency or non-emergency to any screened in report.

Assessment and Investigation: The capacity to investigate and assess accepted reports of suspected child abuse, neglect, and/or dependency, includes responding to emergency reports within one (1) hour and non-emergency reports within twenty-four (24) hours; Conducting an initial Safety Assessment using a standardized CAPM (Comprehensive Assessment Planning Model) tool within the timeline prescribed in the Ohio Administrative Code; Completing a more in-depth CAPM Family Assessment including a clinical and actuarial risk assessment within sixty (60) days; Working collaboratively with other investigative agencies when appropriate; Making traditional response case dispositions within required timeframes; Evaluating the need for protective, prevention, or supportive services and/or court involvement; and documenting all activities and case determinations.

Service Provision: The capacity to provide services that ameliorate, eliminate, or reduce future child maltreatment and the conditions which led to abuse, neglect, or dependency includes providing service planning and case management coordination; Identifying and stating the concern and behavior change(s) needed for reunification to occur through the use of the CAPM Family Case Plan; Monitoring the family's case progress, measuring service outcomes, re-assessing safety and risk, and evaluating permanency options by using the CAPM Case Review and Semi-Annual Review tools; And adhering to existing visitation, documentation, and case closure protocols.

II. ROLES AND RESPONSIBILITIES OF EACH PARTICIPATING AGENCY

A. CDJFS/PCSA (If a combined agency or stand-alone PCSA)

The PCSA is the lead agency for the investigation of child abuse, neglect, or dependency in the county. The PCSA will coordinate and facilitate meetings, establish standards and protocol for joint assessment/investigation with law enforcement, cross-referrals, confidentiality, and training of signatories as required by statute. Child Protective Services staff and management will also participate in meetings and trainings as deemed appropriate at the discretion of the Director.

B. LAW ENFORCEMENT

The county peace officer, each Chief of the local political subdivisions, and any other law enforcement officers handling child abuse and neglect cases in the county will have responsibility for: taking referrals/reports alleging child abuse and neglect from any source within their respective jurisdiction; Referring reports to the PCSA as soon as possible or within **24 hours** for investigation of the circumstances; Determining whether allegations of abuse or neglect rise to the level of criminal conduct; Cooperating with the PCSA in a joint and thorough investigation when the information contained in the report lends itself to allege a present danger; Assisting the PCSA in hazardous situations where the provision of protective services or the investigation of child abuse or neglect is impeded; Coordinating with the PCSA on interviews with principals of the case when there are serious criminal implications; Notifying the PCSA of any legal action involving an alleged perpetrator of child abuse or neglect; Responding to the PCSA's requests for information regarding the status of the legal action; Providing police record checks (**excluding LEADS**) for the PCSA as necessary or requested as permitted by law; Consulting with the PCSA prior to removal of a child from their home when possible; Handling and coordinating investigations involving a child fatality or near fatality which may have resulted from abuse or neglect.

C. JUVENILE COURT

The most senior Juvenile Judge in point of service of the county or their representative, selected by the Judge, if more than one, will be responsible for

attending meetings concerning the MOU, entering into agreements with the other signatories of the MOU regarding the court's responsibility to timely hear and resolve child abuse, neglect, and dependency matters, signing the MOU, and updating the MOU or approving any amendment.

The juvenile court has a duty to exercise jurisdiction over adults and children to hear and decide matters as permitted by the Ohio Revised Code Chapters 2151 and 2152. The court is responsible for issuing orders regarding the care, protection, health, safety, mental and physical best interest of children. The Juvenile Judge will ensure that due process of law is achieved; Hear evidence and issue findings of fact and conclusions of law as to any abused, neglected, or dependent child; Order timely and safe permanency dispositions for children; Preserve the family environment whenever possible while keeping the child(ren)'s health and safety paramount.

D. COUNTY PROSECUTOR

The County Prosecutor will report suspected cases of child abuse and neglect to the PCSA or appropriate law enforcement agency/office. The County Prosecutor will represent the PCSA in legal actions to protect a child from further harm resulting from child abuse or neglect unless the Prosecutor has granted consent for the appointment of an In-house PCSA Attorney pursuant to Ohio Revised Code chapters 309 and 305.

The prosecuting attorney may inquire into the commission of crimes within the county. The prosecuting attorney will prosecute, on behalf of the state, all complaints, suits, and controversies in which the state is a party, except for those needing to be prosecuted by a special prosecutor or by the attorney general. The County Prosecutor is to determine, based upon the facts, whether criminal culpability exists and if enough evidence exists for a matter to be prosecuted. The prosecutor will be available to law enforcement and the PCSA staff for questions or assistance in the investigation of child abuse and neglect cases and eliminate the need for testimony at the municipal court level by allowing for direct presentation to the Grand Jury, when feasible, to minimize trauma to child victims. The prosecuting attorney agrees to aid the PCSA in protecting the confidential nature of children services records and investigations; As well as the special protection afforded to the identity of the reporting source.

III. SCOPE OF WORK

The key objective of this MOU is to clearly define the roles and responsibilities of each agency in the provision of child protective services.

A. Mandated reporters and penalty for failure to report

Persons identified as mandated reporters per Ohio Revised Code section 2151.421, while acting in official or professional capacity, will immediately report knowledge or reasonable cause to suspect the abuse or neglect of a child in accordance with that section. Reports will be made to the PCSA or a law enforcement officer.

The penalty for the failure of a mandated reporter to report any suspected case of child abuse and/or neglect pursuant to ORC section 2151.421 is a misdemeanor of the fourth degree. The penalty is a misdemeanor of the first degree if the child who is the subject of the required report that the offender fails to make suffers or faces the threat of suffering the physical or mental wound, injury, disability or condition that would be the basis of the required report when the child is under the direct care or supervision of the offender who is then acting in the offender's official or professional capacity or when the child is under the direct care or supervision of another person over whom the offender, while acting in the offender's official or professional capacity, has supervisory control. Failure to report suspected child abuse and/or neglect may also result in civil liability in the form of compensatory or exemplary damages.

Morgan County JFS/PCSA will notify the county prosecutor by email within 24 hours when a mandated reporter fails to report suspected or known child abuse or neglect.

B. System for receiving reports

Reports of child abuse or neglect will be made to the PCSA or any law enforcement officer with jurisdiction in the county. If the PCSA contracts with an outside source to receive after-hour calls, a copy of the signed agreement will be attached to this MOU which indicates that all reports with identifying and demographic information of the reporter and principals will be forwarded to a designated children services worker within an hour of receipt, confidentiality requirements will be met, and how the public is informed of after-hours reporting opportunities.

Morgan County JFS/PCSA is responsible for receiving reports Monday through Friday, 8:00am to 4:00pm by telephone, in writing, or by visiting Morgan County JFS/PCSA at 155 East Main Street, McConnelsville, OH 43756. The after-hours, weekends, and on holidays reports may be made to the Morgan County Sheriff's Office

at 37 East Main Street, McConnelsville, OH 43756. The Sheriff's Office has emergency contact numbers for agency staff.

When a law enforcement officer receives a report of possible abuse or neglect of a child or the possible threat of abuse or neglect of a child, the law enforcement officer will refer the report to the appropriate PCSA unless an arrest is made at the time of the report that results in the appropriate PCSA being contacted concerning the alleged incident involving the child.

When the PCSA screens in a report of child abuse, the PCSA will notify the appropriate law enforcement agency/office of the report, unless law enforcement is present and an arrest is made at the time of the report that results in the appropriate law enforcement agency/office being notified of the child abuse.

When the PCSA screens in a report of child neglect, and the PCSA implements a legally authorized out-of-home placement due to neglect within the first seven days of the assessment/investigation, the PCSA will notify the appropriate law enforcement agency/office within the first seven days of the assessment/investigation unless an arrest is made at the time of the report that results in the appropriate law enforcement agency/office being notified of the child neglect.

C. Responding to mandated reporters

When the PCSA receives a referral from a mandated reporter who provides their name and contact information, the PCSA will forward an initial mandated reporter notification to the referent within seven days. The notification will be provided, in accordance with the mandated reporter's preference. Information shared with the mandated reporter will include the information permitted by ORC 2151.421(K):

- Whether the agency or center has initiated an investigation of the report;
- Whether the agency or center is continuing to investigate the report;
- Whether the agency or center is otherwise involved with the child who is the subject of the report;
- The general status of the health and safety of the child who is the subject of the report;
- Whether the report has resulted in the filing of a complaint in juvenile court or of criminal charges in another court.

When the PCSA closes an investigation/assessment reported by a mandated reporter, the PCSA will forward a mandated reporter referral outcome notification to the referent. The notification will be provided in accordance with the mandated reporter's preference. Information shared with the mandated reporter will be that permitted by ORC 2151.421 to include a notification that the agency has closed the investigation along with a point of contact.

D. Roles and responsibilities for handling emergency cases of child abuse, neglect, and dependency

1. PCSA's Response Procedure

When the PCSA determines that a report is emergent, the PCSA will attempt a face-to-face contact with the child subject of the report/ alleged child victim within one hour of the receipt of the report.

If the PCSA identifies an active safety threat at any point during the assessment/investigation, the caseworker or supervisor will implement a safety response.

When removal of a child from the care and control of the child's parents or other person appears necessary, Morgan County JFS/PCSA will solicit the cooperation of the parents toward a plan for the child's admission to the hospital, other appropriate facility, placement, or will seek to obtain orders from the Morgan County Juvenile Court, when necessary.

2. Law Enforcement and NA Response Procedure

If cooperation of the parents cannot be obtained, a law enforcement officer in his or her discretion shall exercise his or her authority to remove the child in accordance with 2151.31 of the Ohio Revised Code and Juvenile Rule 6. The Morgan County JFS/PCSA shall then seek an emergency order from the Court by conclusion of the next court day, unless otherwise instructed by the Morgan County Prosecutor.

3. Children in Need of Medical Attention Special Response Procedures

Morgan County JFS/PCSA will gather and maintain current information regarding the name, address, and telephone number of each appropriate health care facility within its jurisdiction. Morgan County JFS/PCSA will identify and maintain the name and chairperson of the appropriate health care facility's review committee, if such committee exists

E. Standards and procedures to be used in handling and coordinating investigations of reported cases of child abuse and/or neglect

Methods to be used in interviewing the child who is the subject of the report and who allegedly was abused and/or neglected, alleged perpetrators, and other family members and witnesses/collaterals will be discussed and agreed upon in advance by the PCSA and the corresponding law enforcement agency/office.

To the extent possible investigative interviews of children who are the alleged victims of reports of abuse and/or neglect where criminal activity is suspected, including reports of human trafficking, are cooperatively planned by the PCSA and the law enforcement agency/office of the jurisdiction.

Every effort will be made by the signatories of this MOU to prevent or reduce duplicate interviews of the victims or witnesses. When feasible, to reduce trauma complete only one interview with the alleged child victim/ child subject of the report. The PCSA agrees to be the lead agency in scheduling the time, place, and location of joint interviews as well as notifying all participants.

Before starting the interview, the participants will determine who is to be present in the room, who will be asking the questions, what areas are to be covered, and who will be the scribe for the interview. Audio and video recordings may be used when necessary.

When law enforcement or the prosecutor's office interviews a participant in a criminal investigation and a representative of the PCSA is not present, the interviews conducted by law enforcement or the prosecutor's office may be used by the PCSA to meet the agency investigative requirements set forth in rule. Law enforcement or the prosecutor's office will forward a written summary of the interview to the PCSA upon request.

The PCSA agrees not to proceed without the advice and consent of the prosecutor's office when a criminal investigation is being conducted concurrently. The PCSA will not jeopardize a criminal investigation but will work with law enforcement to protect the safety of the child victim or witnesses. Law enforcement will be the lead agency/office in the collection of forensic evidence and will coordinate with the necessary facilities to obtain and store such evidence properly.

Morgan County JFS/PCSA, law enforcement, the prosecuting attorney, and the court system have easy access to each other for cases of abuse or neglect involving children within the county. At any point where it is necessary to contact any or all of these entities involving a child abuse or neglect case, Morgan County JFS/PCSA will consult with the necessary department or office to seek their intervention or assistance in any case which may require their involvement. All agencies will work cooperatively toward protecting children and preserving families.

The PCSA will follow up with law enforcement to ensure timely assistance and to complete mandated assessment/investigation activities within the sixty-day timeframe.

F. Standards and procedures addressing the categories of persons who may interview the child who is the subject of the report and who allegedly was abused or neglected

The categories of personnel who may conduct interviews of children who are the subjects of reports of alleged abuse, neglect, and/or dependency are limited to the following:

- Casework and supervisory staff of the PCSA
- Law enforcement personnel
- County or city prosecuting attorneys, assistant prosecuting attorneys, in-house JFS legal counsel if applicable, and their investigative staff
- **Children's Advocacy Center**
- **Children's Hospital**

G. Standards and procedures for PCSA requests for law enforcement assistance

Morgan County JFS/PCSA will consult with the appropriate law enforcement agency/office prior to initiating an interview on a complaint of alleged child abuse or neglect in order to determine whether the law enforcement agency/office deems it necessary to assign an officer, which office will respond to assist, and when and where the interview can be accomplished.

The PCSA may request the assistance of law enforcement during an assessment/investigation if one or more of the following situations exist:

- An exigent circumstance.
- The PCSA has reason to believe that the child is in immediate danger of serious harm.
- The PCSA has reason to believe that the worker is, or will be, in danger of harm.
- The PCSA has reason to believe that a crime is being committed, or has been committed, against a child.
- The PCSA worker needs to conduct a home visit after regular PCSA business hours, and a law enforcement escort is requested as a standard operating procedure.
- The PCSA is removing a child from his or her family via an order of the court, and the assistance of law enforcement is needed as the PCSA has reason to believe the family will challenge the removal.
- The PCSA is working with a client who has a propensity toward violence, and the assistance of law enforcement is needed to ensure the safety of all involved.

- The PCSA is working with a family that has historically threatened to do harm to PCSA staff.

Morgan County JFS/PCSA will obtain assistance from law enforcement in a timely manner in cases where child abuse or neglect is alleged in order to ensure child safety and conduct investigative activities within the maximum sixty day time frame afforded Morgan County JFS/PCSA to complete abuse or neglect investigations pursuant to Chapter 5101:2-36 of the Ohio Administrative Code.

H. Specialized Investigations or Circumstances

To the extent possible, investigative interviews of children who are the alleged child victims/child subjects of the report of abuse and neglect where criminal activity is suspected, including reports of human trafficking, physical and sexual abuse, domestic violence, child endangering, or the like, are cooperatively planned by the PCSA and the law enforcement agency of jurisdiction.

1. Out-of-Home Care

The PCSA conducts an out-of-home care investigation in response to a child abuse or neglect report that includes an alleged perpetrator who meets one or more of the following criteria:

- Is a person responsible for the alleged child victim's care in an out-of-home care setting as defined in rule 5180:2-1-01 of the Administrative Code.
- Is a person responsible for the alleged child victim's care in out-of-home care as defined in section 2151.011 of the Revised Code.
- Has access to the alleged child victim by virtue of their employment by or affiliation to an organization as defined in section 2151.011 of the Revised Code.
- Has access to the alleged child victim through placement in an out-of-home care setting.

The PCSA follows the procedures for conducting out-of-home care investigations as described in section 5180:2-36-04 of the OAC.

Within 24 hours of the screening decision, Morgan County JFS/PCSA will provide written notice to the administrator, director, or other chief administrative officer of the out-of-home entity unless that person is alleged as a perpetrator in the report. If that person is alleged as a perpetrator, written notices shall be provided to the owner or governing board of the entity. Within 3 working days of the report disposition, the investigative agency shall provide written notice of disposition to the administrator, director, or other chief administrative officer of the out-of-home entity unless that person is alleged as a perpetrator in the report.

If that person is alleged as a perpetrator, written notice shall be provided to the owner or governing board of the entity.

2. Third-Party Investigations

In accordance with section 5180:2-36-08 of the OAC, the PCSA is to request a third-party in the assessment/investigation for reports of child abuse or neglect where there is potential for a conflict of interest because one of the following parties is a principal of the report:

- Any employee of an organization or facility that is licensed or certified by the Ohio Department of Children and Youth (DCY) or another state agency and supervised by the PCSA.
- A foster caregiver, pre-finalized adoptive parent, adoptive parent, relative, or kinship caregiver who is recommended, approved, or supervised by the PCSA.
- A type B family childcare home or type A family childcare home licensed by DCY when the CDJFS has assumed the powers and duties of the county children services function defined in Chapter 5153. of the Revised Code.
- Any employee or agent of DCY or the PCSA as defined in Chapter 5153. of the Revised Code.
- Any authorized person representing DCY or the PCSA who provides services for payment or as a volunteer.
- A foster caregiver or an employee of an organization or facility licensed or certified by DCY and the alleged child victim is in the custody of, or receiving services from, the PCSA that accepted the report.
- Any time a PCSA determines that a conflict of interest exists. The PCSA is to document in the case record if a conflict of interest is identified.

The PCSA is to request that law enforcement serve as the third party when a report alleges a criminal offense. The PCSA is to request the assistance of a third party within 24 hours of identifying that a conflict of interest exists.

Upon completion of the investigation, law enforcement shall provide a written summary of the investigation and action within a reasonable time. The investigation documentation and any materials obtained as a result of the investigation including the third-party report shall be maintained in the case record. The involvement of a third party does not relieve the lead Children Services of its responsibilities to ensure investigation activities are completed.

3. Child Fatality- Suspected cause of death is abuse or neglect

The PCSA is governed by ORC section 307.622 and needs to have a child fatality review board.

When Morgan County JFS/PCSA becomes aware of the death of a child, the agency will immediately contact the appropriate law enforcement agency/office. Allegations of death of a child or children shall be handled jointly as a law enforcement and child welfare investigation. Law enforcement and child welfare shall follow their standard protocol for investigation of criminal activity. The case will be referred to the Prosecutor for any legal action. The case will be reviewed by the Morgan County Child Fatality Review Committee.

When made aware of the child's death, the agency shall determine if there are other children residing in the same home or settings as the deceased child resided and if there are other children receiving care from or within access of the alleged perpetrator of the child's death. If there are no other children affected, the agency will close the case. If there are other children affected, the agency shall conduct an investigation and provide supportive services, if appropriate.

4. Child Fatality- Death of a child in the custody of the PCSA

The PCSA follows rules 5180:2-33-14 and 5180:2-42-89 of the OAC following the death of a child in its custody.

5. Allegations of withholding medically indicated treatment from disabled infants with life-threatening conditions

The PCSA follows the procedures described in section 5180:2-36-07 of the OAC for responding to these reports.

The withholding of medically indicated treatment is the refusal to provide appropriate nutrition, hydration, medication, or other medically indicated treatment from a disabled infant with a life-threatening condition.

Medically indicated treatment includes the medical care most likely to relieve, or correct, the life-threatening condition. Nutrition, hydration, and medication, as appropriate for the infant's needs, are medically indicated for all disabled infants; in addition to, the completion of appropriate evaluations or consultations necessary to assure that sufficient information has been gathered to make informed medical decisions on behalf of the disabled infant.

In determining whether treatment is medically indicated, reasonable medical judgments made by a prudent physician, or treatment team, knowledgeable about the case and its treatment possibilities are considered. The opinions about the infant's future "quality of life" are not to bear on whether a treatment is judged to be medically indicated. Medically indicated treatment does not include the failure to provide treatment to a disabled infant if the treating physician's medical judgment identifies any of the situations listed in OAC section 5180:2-36-07(A)(3)(a-d).

Morgan County JFS/PCSA shall initiate the screening in medical neglect report in accordance with all guidelines, statutes, and regulations in the investigation and resolution of such a report including:

- **Gathering and maintain current information regarding the name, address, and telephone number of each appropriate health care facility within its jurisdiction.**
- **Identify and maintain the current name, title, and telephone number of each facility's contact person for allegations involving withholding of medically indicated treatment from disabled infants with life-threatening conditions.**
- **Identify and maintain the name and chairperson of the appropriate health care facility's review committee, if such a committee exists.**

Morgan County JFS/PCSA will assist law enforcement with the criminal investigation, if applicable.

4) The prosecutor is responsible for assessing the legal aspects of the case.

5) Reasonable efforts will be made by each agency/office to coordinate each step of the investigation and assessment process in order to minimize the number of interviews to which the child is subjected, thus reducing the potential trauma to the child.

6) It is expressly understood that each agency/office will work within its departmental and office mandates and policies.

7. Reports of cases involving individuals who aid, abet, induce, cause, encourage, or contribute to a child or a ward of the juvenile court becoming dependent, neglected, unruly, and/or delinquent

- The law enforcement agency/office will promptly enter any additional, relevant information into NCIC.
- The law enforcement agency/office will promptly notify the missing child's parents, parent who is the residential parent and legal custodian, guardian, or legal custodian, or any other person responsible for the care of the missing child, that the child's information was entered into NCIC.

- The PCSA will contact the National Center for Missing and Exploited Children (NCMEC) if the child is in PCSA custody.

Upon request of law enforcement, the PCSA is to provide assistance and cooperation in the investigation of a missing child, including the immediate provision of any information possessed by the PCSA that may be relevant in the investigation.

All MOU signatory agencies are to notify the PCSA upon learning that a minor child who is alleged to be in the children services system or who is known or suspected to be abused or neglected has either run away from or is otherwise missing from the home or the care, custody, and control of the child's parents, custodial parent, legal guardian, or non-custodial parent.

Upon learning that a minor child in the temporary or permanent custody of the agency is missing, the agency will notify the agency attorney within 24 hours. Additionally, the agency will promptly notify LE, including local LE. The agency will follow requirements in OAC 5180:2-42-88. The PCSA will maintain regular communication with law enforcement and NCMEC for updates on progress locating and aiding in the safe recovery of the missing child.

I. Standards and procedures for removing and placing children

1. Emergency

Emergency removal of a child from home is necessary when the child is at imminent risk of harm and in need of protection from abuse, neglect, or dependency.

An ex parte order may be issued with or without a complaint being filed. Prior to taking the child into custody the judicial fact finder is to make a determination that reasonable efforts were made to notify the child's parents, guardian, or custodian, or there were reasonable grounds to believe doing so would jeopardize the safety of the child, or lead to the removal of the child from the jurisdiction.

Juv. R 6 orders can be issued in-person, by phone, video conference, or otherwise. Reasonable grounds need to exist to believe the child's removal is necessary to prevent immediate or threatened physical or emotional harm.

Findings need to be made that the agency either did or did not make reasonable efforts to prevent the removal of the child from their home with a brief description of services provided and why those did not prevent the removal or allow the child to return home, and if temporary custody is granted to the PCSA an additional finding that it would be contrary to the welfare and best interest of the child to continue in the

home. If granted, a shelter care hearing is to be scheduled the next business day (but not later than seventy-two hours) after the emergency order has been issued. If the ex parte motion is denied, the matter is to be set for a shelter care hearing within ten days from the filing date.

Morgan County JFS/PCSA shall ensure that the temporary emergency care for the child is in the least restrictive, most family-like setting available to meet the needs of the child in accordance with OAC.

2. Non-emergency

Upon receiving a report alleging child abuse, neglect, and/or dependency, the PCSA commences an investigation in accordance with the requirements of section 2151.421 of the ORC. If the final case decision rises to the level of court involvement, the PCSA is to approach the juvenile court and file a complaint alleging the child(ren) to be abused, neglected, or dependent per ORC 2151.27. The matter will be set for a shelter care/preliminary protective hearing expeditiously by the juvenile court.

Reasonable oral or written notice of the time, place, and purpose of the hearing are to be provided to the parents, guardian, or custodian unless they cannot be found. The same parties are also entitled to notification that a case plan may be prepared, the general requirements, and possible consequences of non-compliance with the case plan.

The parties will be served with the complaint and summons to appear before the juvenile court. Unrepresented parties are advised by the juvenile court of their right to counsel. Counsel is appointed for children when abuse is alleged. A guardian ad litem is appointed to all children subjects of abuse, neglect, or dependency proceedings. A separate guardian ad litem may be appointed to minor parents or parents who appear mentally incompetent.

The judicial fact finder is to determine whether there is probable cause that the child is abused, neglected, or dependent, the child is in need of protection, whether or not there is an appropriate relative or kin willing to assume temporary custody of the child, reasonable efforts were made by the PCSA to prevent the removal or continued removal or to make it possible for the child to return home safely, and for temporary custody orders to the PCSA that it would be contrary to the welfare and best interest of the child to continue in the home. All other temporary orders should be requested and considered at this time.

Morgan County JFS/PCSA will work with a family and make reasonable efforts to maintain the child safely in their home. In some circumstances the provision of these services is insufficient to protect the child from serious harm. For these non-

emergency cases it becomes necessary to petition the court to seek the removal of a child from the child's home for their safety.

J. [Optional Section(s)]

Not Applicable *(if selected this section is not relevant.)*

In the event of a natural disaster or widespread state of emergency, subscribers should take any actions necessary to preserve the safety and well being of children. Specific procedural requirements of this MOU are temporarily suspended in such a situation, and the goal of ensuring the safety of children by utilizing the least disruptive means necessary should be the primary guiding instruction.

Morgan County JFS/PCSA is responsible for being aware of the whereabouts of any child in its custody at any point in time. Therefore, in the event of a disaster, the agency may contact law enforcement and other emergency services to coordinate safety procedures for all children in the agency's custody. Morgan County JFS/PCSA reserves the option to enter into agreements with another PCSA agency to assist in ensuring the safety and locating the whereabouts of any children in the custody of said agencies in the event of a natural disaster or widespread state of emergency.

Morgan County's law enforcement and emergency services may assist Morgan County JFS/PCSA in coordinating safety services for children affected by such an agreement insofar as the child is within jurisdiction of Morgan County at the time of such a state of emergency.

IV. TRAINING

Cross system training is to be provided to and a plan developed by all signatories of this MOU to ensure parties understand the mission and goals identified in this MOU and are clear about the roles and responsibilities of each agency/office. Periodic trainings events will be coordinated by the PCSA as the lead agency and notification of the trainings will be provided to the signatories of this agreement. By agreeing to participate in the county MOU process signatories express a commitment to attend training opportunities when presented.

V. CONFLICT RESOLUTION

Not Applicable *(if selected this section is not relevant.)*

When a conflict occurs among county partners, the effect is often broader than the individuals directly involved in the dispute. As disputes are often inevitable, this MOU is to set forth the local process by which disputes will be resolved so as not to disrupt program effectiveness.

As the mandated agency responsible for the provisions of child protective services, the ultimate decision on how to handle abuse, neglect investigations lie with the PCSA. Every effort will be made to take into account other signatories' requests and concerns relating to services.

Criminal investigations and prosecution remain the responsibility of the prosecuting attorney and appropriate law enforcement agencies. The PCSA will assist these agencies, but in no way, interfere or jeopardize a criminal investigation or prosecution.

For cases that come before the court as it relates to decisions and orders, the Juvenile Judge's rulings are final.

Each agency/office will make a concerted effort to help the other with joint interviews, investigations, evidence collection, information sharing, and fact-finding. Each agency/office will not hinder or interfere with the express duties of another and will do their best to cooperate and collaborate with the other county partners.

In the event internal conflict resolution efforts fail and a statutorily required participant refuses to sign or engage in the MOU process, the PCSA is to consult with the County Prosecutor to explore available remedies.

VI. CONFIDENTIALITY STATEMENT

Any report made in accordance with ORC section 2151.421 is confidential. Both the information and the name of the person who made the report under section 2151.421 will not be released to the public for use and will not be used as evidence in any civil action or proceeding brought against the person who made the report.

Children services records are not public records and are exempt from Ohio's Sunshine Laws under ORC 149.43. Children Services records are confidential in nature and should be treated accordingly.

ORC section 2151.423 requires the PCSA to disclose confidential information discovered during an investigation conducted pursuant to section 2151.421 or 2151.422 of the Ohio Revised Code to any federal, state, or local government entity, including any appropriate military authority or any agency providing prevention services, that needs the information to carry out its responsibilities to protect children from abuse or neglect. Likewise, law enforcement, **Child Advocacy Centers**, and other entities are expected to release information to the PCSA for the purpose of carrying out its responsibility of protecting children from abuse and/or neglect.

The confidentiality provisions of this MOU will survive the expiration or termination of this agreement.

Information regarding the report and/or investigation of alleged abuse or neglect may be shared only when dissemination is authorized by OAC section 5180:2-33-21 and in accordance with the procedures outlined in OAC section 5180:2-33-21. The unauthorized dissemination of confidential information is a misdemeanor and is punishable by law.

In the event of unauthorized dissemination of information, the party who learns of the breach of confidentiality will notify the Director of the PCSA as soon as possible. The notification will be sent to the Director in writing describing the circumstances surrounding the breach. The notification will specify the confidential information released, who is responsible for disseminating the confidential information, how it was disseminated, and the parties who have access to the information without authorization. The Director of the PCSA will then refer this information to the prosecutor or city director of law at their discretion.

VII. TERMS AND CONDITIONS AND STATUTORY REQUIREMENTS

This MOU is to be retained for a period of at least seven years per the state of Ohio records retention schedule. Please refer to the PCSA records retention policy for information on forms to be completed and processes to be followed for the destruction of records.

Consultation among the signatories may be done in person, whenever practicable. When an in-person meeting is not practicable the signer may employ the use of alternative methods of communication including but not limited to MS Teams, Skype, Zoom, or telephone as agreed upon by all members. When the PCSA is seeking consultation with a signer of this MOU regarding an active referral of child abuse and/or neglect and has met in person or spoken with another signer, the PCSA will make written contact with the appropriate agency/office by the next working day to request the needed information and make the referral in writing.

The required members are to review and evaluate the terms and conditions of the MOU every biennium. All required members to the MOU will sign the new or updated agreement. The PCSA is to submit the MOU to the Board of County Commissioners for review and approval with enough time for any revisions to be made prior to December thirty-first of the year.

This MOU does not inhibit good faith compliance with a subpoena issued by a Grand Jury or in a criminal case. Dissemination of records pursuant to the State's discovery obligations is authorized. However, work product and other privileges are expected to be upheld.

Failure to follow the procedure set forth in the MOU by the concerned officials is not grounds for, and will not result in, the dismissal of any charges or complaint arising from any reported case of abuse or neglect or the suppression of any evidence obtained as a result of reported child abuse or child neglect and does not give, and will not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person pursuant to section 2151.4223 of the Revised Code.

This MOU will be governed by and construed in accordance with applicable state and federal laws and regulations. Any identified or listed citations to Ohio Administrative Code revised during the implementation of this MOU are to defer to the current finalized codification. In the event any other portion of this MOU is inconsistent with state or federal law, that portion will be without effect as if stricken from the document and the remaining portion will remain in full force and effect.

VIII. SIGNATURES OF EACH PARTICIPATING AGENCY/OFFICE

The signature section authorizes the participating parties of the agreement to begin enactment of MOU protocols and activities. The participating members agree to follow the terms of this MOU and to meet at minimum once every biennium to review terms and conditions, evaluate if updates are needed, and sign a new or amended MOU.

If any individual serving as a signatory changes mid-term, the PCSA is to provide the new required member with the current MOU. The new member remains bound by the most recently approved version of the MOU. Their signature is to be obtained.

If the PCSA participated in the execution of a memorandum under section 2151.426 of the Revised Code establishing a CAC, each participating member of the CAC is a required signatory on this MOU.

A required member to this agreement may terminate their involvement in the MOU for good cause upon giving reasonable written notice to the other required members in this MOU.

If at any point, any part or provision of the MOU is found to conflict with a statute, regulation, or binding case law, the subscribers should arrange to review and amend the MOU within 90 days. Though the illegality or conflict of one provision of the MOU will render that provision unenforceable, it does not render the entirety of the MOU unenforceable.

The MOU may be signed in person or electronically.
